

**Invitation and Reminder Emails for
Virginia Tech Graduate Student Climate Survey**

Dear Fellow Graduate Student,

It is a priority for the Graduate School, Division of Student Affairs, and the Office of Diversity and Inclusion to ensure an affirming climate for graduate students enrolled at the Blacksburg campus. As graduate student representative to the Board of Visitors, I have worked closely with these offices in the development of this survey in response to the input from current graduate students and graduate alumni. I invite you to participate in this survey regarding your perceptions of Virginia Tech's graduate student climate. Your feedback is especially important.

Below you will find the link to the survey. The survey should take approximately 30 minutes.

Note that individual responses cannot be linked to names or emails and all responses will be confidential.

The survey closes at midnight on Friday, March 22.

The answers provided will be invaluable to the graduate student community as we move forward. If you have any questions, please feel free to contact me. Thank you for your help in this important endeavor!
