The screenshot shows the Canvas LMS community interface. At the top is a red navigation bar with the Canvas logo and links for Home, Guides, Q & A, Ideas, Groups, and Browse. A 'Log In' button and a search icon are on the right. Below this is a dark grey header with a breadcrumb trail: 'All Places > Q & A > Guides > Guides: Canvas'. The main title is 'Canvas Getting Started' with an 'Actions' dropdown and an information icon. A secondary navigation bar lists various categories: Overview, Admin, Instructor, Student (selected), Activity, Content, Images, People, Subspaces and Projects, and Events. A message prompts users to 'Log in to follow, share, and participate in this community.' The main content area is titled 'Getting Started as a Student' and includes a brief description and a list of links to guides. A 'QUICK REFERENCE: STUDENT GUIDE' section is expanded to show 'Getting Started with Canvas' with two links: 'How do I sign up for a Canvas account as a student?' and 'How do I use the Dashboard as a student?'. On the right, there are sections for 'Related Places' (Video Guide, Canvas Basics Guide - Table of Contents, Canvas Student Guide - Table of Contents, Join Groups) and 'Related Content' (What browsers does Canvas support?, How do I clear my browser cache on a PC?, How do I clear my browser cache on a Mac?).
